Kaiser Permanente: Behavioral Health Clinics

Kaiser Permanente offers a full-range of clinical and support services for children, teens, families and adults dealing with substance abuse, emotional, and/or behavioral problems.

All of Kaiser Permanente's ***Behavioral Health Clinics*** are "**open access**" which means an appointment can be made without a referral from the member's primary care physician.

- ***Sign up*** to take a class to explore conditions and treatment options for depression, anxiety disorders, insomnia, couples communication, chemical dependency, anger, parenting and more
- Use the [location finder](#) to find the phone number for the nearest behavioral health services and offices close to your home or office
- You can also talk to an advice nurse by calling the advice telephone number listed in the [location finder](#)
